

COP26 and the Implications for Carbon Markets

Nov 10, 2021

Reading Time : **1 min**

In this article, we review the highlights of the COP26 United Nations Climate Change Conference so far and consider the implications for carbon markets in the context of Singapore. The application of Article 6 of the Paris Agreement is one of the key issues being debated at COP26, and agreement on its terms is seen as crucial to the development of the global carbon market.
